

## *Standing Together in Faith*

**Burlington Notre Dame is happy to announce the move of KCDM Catholic Radio to the school campus. Celebrating its tenth anniversary this year, KCDM is an important part of the local faith community. When problems with their current location forced them to look for a new long term home, KCDM approached the Notre Dame School Board with a proposal to relocate to the school. Noting the important evangelistic work of Notre Dame, the KCDM board felt it was a natural fit. The Notre Dame School agreed, and is happy to do what was needed to support this fine organization.**
